Professional Experience

Project Coordinator

Community Health Access Initiative, University of Michigan
School of Public Health www.chai-mi.org Jan 2020 - present

- Collaboratively design, coordinate, and facilitate in-person and virtual trainings for clinicians, on affirming care for LGBTQIA+ adolescents and emerging adults.

- Conduct clinic assessments, co-identify clinic goals, and collaborate with health workers toward system change.

- Co-create youth-centered health resources with a team of LGBTQIA+ adolescents and health experts, related to sexual orientation, gender identity, and mental health.

- Develop and build relationships with community partners working in the field of LGBTQIA+ advocacy and health.

Conflict Facilitator

lunanh.com May 2018 - present

- Identify and address client goals through comprehensive intake, counseling, needs assessment, and skill-building sessions.

- Collaborate with clients on a trauma-informed, client-centered design for a process to meet goals.

- Facilitate conflict sessions that empower clients to problem-solve, understand, and reach individual and mutual goals.

Developmental Editor

lunanh.com May 2009 - present

- Collaborate with authors, scholars, and organizations on developmental and copy editing projects.
